Many thanks to board member Jane Raleigh who has volunteered to oversee the changeover and ongoing maintenance. The committee would gladly accept photos from homeowners to add to Homeowner's Corner.

This Committee is also responsible for this newsletter which will now be published on a quarterly basis. Please contact Sue McWilliams, if you are interested in helping with this effort.

**Architectural Review Committee:**  
All ARC applications should be submitted to Northwest Association (forms can be downloaded from the website). The process takes up to 45 days, depending upon the number of applications and size of the projects. The committee meets as needed, generally once a month, to review applications.

**Committee: Chair Julian Wright, Sylvia Morrison, Gayle Lewis, Pat Clark, John Kohlmoos, Sandy Kohlmoos**  
with this effort. Eventually the newsletter will be available as an online publication through the website. The Committee is also assisting with the development of an email list of homeowners to be used solely by the management company in order to expedite the communication process. This list will not be made available to any homeowner or outside organization. If you would like to have your email included on this list, please contact NWAM at the email address shown at the end of this letter
