

THE PARKS NEWSLETTER

With the next newsletter, we will add a **Homeowner's Corner**. Any items to be included in this space should be submitted to the website. Again, if you can assist in updating information on the website, please call Sue.

The Committee would also like to develop an email list of homeowners to be used solely by the management company in order to expedite the communication process. This list will not be made available to any homeowner or outside organization. If you would like to have your email included on this list, please contact NWAM at the email address shown at the end of this newsletter.

Committee: Chair Sue McWilliams, Sylvia Morrison

COMMUNITY REMINDERS

- **Political Signs** are legally permitted on individual homeowner's property. Such signs are allowed to be posted temporarily during political campaigns but must be removed within 10 days of an election. These signs should not be tampered with in any way.
- **Pets** Please remember that we are subject to the City of Bend leash laws as well as our own CC&Rs. All pets must be kept on a leash whenever they are not on your property. Do not let your pets roam loose around the neighborhood. In addition, be considerate of your neighbors when leaving dogs unsupervised outdoors. Since we live in such close proximity to each other, constant barking is not appreciated. Thank you to those who are making regular use of the dog stations. We encourage all pet owners in The Parks to use them. As a responsible pet owner, please ensure that your dog neither leaves messes nor otherwise bothers those around your neighborhood.
